Who is ASC?

ASC is an educational and scholarship non-profit organization created by Don White to give back to the industry that gave him so much and to further his dream of spreading practical grain trading skills throughout the entire grain industry.

What Scholarships are available?

ASC's Basic Scholarship Award is a \$5,000.00 award, payable in two installments of \$2,500 per semester (Fall and Spring) with the requirement that the award of the second (Spring Semester) \$2,500 installment is subject to both (i) the successful completion of Basis Trading Essentials course by December 31st of Fall semester with a grade of at least 80%, and (ii) successful completion of the first semester with an official transcript provided to ASC with a GPA of 2.5 or higher prior to issuance of further funds.
